**Subject:** stop the power plant on the beach

DATE Aug 18 2011

RECD. Aug 22 2011

Please let me know how to stop the power plant from being built RIGHT NEXT TO MILLION DOLLAR HOMES, LEGOLAND, THE FLOWER FIELDS, THE STRAWBERRY FIELDS, RESTAURANTS, THE GIA INSTITUTE, THE AUGA HEDOINA LAGOON, AND WHAT IS THE STATE OF CALIFORNIA BEST KNOWN, IN THE WORLD FOR?????

ITS STUNNING COASTLINE, PRISTINE BEACHES, SURFING AND OUTDOOR ACTIVITIES AND MILLIONS OF TOURISTS YEARY.

PLEASE RELOCATE THIS POWER PLANT TO A LESS POPULATED AREA.

THE area could be used for multi purpose, parks, kayaking center, surfing school, hotel, concert area, retail shops, with the train I-5 and hwy 101 to service the entire area with shuttles to all the above mentioned FAMILY entertainment in the areas. There is a huge opportunity to do the right thing here, and create a win win, by just locating it somewhere else. Hey how about The MARINE BASE giving up a couple ac. and it would have auto security.

Please don't ruin all of north county, San Diego. The original power plant has always been a blight on the coast, Please take this opportunity to make changes that will enhance, preserve, protect, all of our coasts.

Sincerely, a 2rd generation California Native
